Date: 20th May 2014

Shri. A. B. Prajapati
District Primary Education Officer (DPEO),
Zilla Panchayat,
Panchbatti, Bharuch.

Respected Sir,

Subject: Application for No Objection Certificate (NOC) for CBSE affiliation for Narmada Calorx Public School, Bharuch.

Narmadanagar Rural Development Society (NARDES), the CSR arm of Gujarat Narmada Valley Fertilizers & Chemicals Limited has a commendable record in Corporate Social Responsibility. NARDES is committed towards the overall educational development of Bharuch and nearby areas. It has successfully established 3 model schools namely Narmada Anand Niketan School, Narmada Motlabai Public School and Narmada Calorx Public School. All the three schools are functioning well and have inducted a considerable number of students.

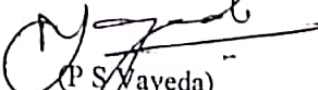

Narmada Calorx Public School has started Standard 1st to 5th in its initial year (2012) of commencement and extended to Standard 7th in its second year (2013). The school is going to start 8th Standard from this year. As per the CBSE norms, the school must be affiliated when the 1st batch of students reaches Class VIII or IX as the school needs the board affiliation for certification for Class X exams.

Since, the school is now required to get affiliation from Central Board of Secondary Education (CBSE) for starting the succeeding classes so it is requested to provide a No Objection Certificate (NOC) for the school stating that the State Government has no objection to the affiliation of the school with the C.B.S.E. The letter may be considered as a formal intimation about the application of the school for CBSE affiliation.

You are requested to acknowledge the receipt of this information.

Thanking you,

Yours sincerely

(P. S. Vayeda)
